

LEBA supports EFET work on robust and standard solutions to solve the IBOR transition issues of EFET document users.

Alongside wider interest rate and derivative workstreams for Libor transition, LEBA highlights the revised templates published by EFET on 04th November 2021 newly incorporating wording which reflects the IBOR Transition.

Details at [Table of EFET Template Documents \(04.11.2021\) final clean.pdf](#)

EFET IBOR Transition Timeline
