NOTES TO EDITORS:

1. LEBA, the London Energy Brokers' Association, is the industry association representing the FSA regulated wholesale market brokers in the over the counter (OTC) and the exchange traded UK and liberalised European energy markets. These brokers intermediate and facilitate bilateral contracts to be concluded between banks, trading houses, commercial enterprises, public utilities and integrated energy businesses, providing liquidity and price discovery to these markets as well as contributing significant liquidity to

European exchange traded markets. The major products that they deal in include crude oil and refined petroleum products, gas, electricity and emissions.

2. The LEBA member firms that currently operate in the European gas, power, coal and emissions markets are:
